Didsbury Jottings

By A.C.H.

Sixty-two dollars. That was a nice sizeable sum for the I.O.D.E. to take in from their tea and rummage sale on Saturday. Sixty eight ladies attended the tea, which shows support was generous and general. The Regent, Miss M. Hanson, thanks you all for your kind patronage.

The setting of eggs donated by Mrs. J. L. Clarke could have been sold several times over, and a jar of pickles could have sold a hundred times. There were clothes, knick knacks, shoes and furniture. The rummage sale brought in \$15.00. And to make and elegant end to a busy day, the I.O.D.E. took two cars along to the Victory Loo parade.

You take one air cadet, with one trumpet, in one basement, and the noise is awful. But, put five air cadets with five trumpets between three drummers, and you have a band. How is it?

We wish Lieut. Wallace and Tip. Booker could have seen their home-town buddies marching behind Lieut. Downey on Saturday. The determination and resolute marching of the Didsbury and Carstairs detachment was most heartening.

"Come on, son, buy a Victory Bond, and get on the Ride to Victory."

"You mean the Road to Victory, don't you, Mister?"

"No, who wants to go around in a circle, when he can go straight to the point?"

"Come on, let's ride."

We must say how charming the Ranger Girls looked on Saturday night.

Engagements

Mr. and Mrs. W. D. Spence announce the engagement of their only daughter Barbara, Mary Peterkin to Pie James Alexander Callie of R.C.A.S.C. Red Deer, second son of Mr. and Mrs. C. Callie of Calgary, formerly of Macleod. The marriage will take place May 27th in Calgary.

Evangelical Church Notes

"The salt of the earth" will be the theme on Sunday morning at 10:30 a.m. Christian Character is a positive force in the world, since it keeps the world from disintegrating. The evening service will be held at 7:30 p.m. Jutland services will be held at the home of Mr. H. L. Hayne at 2 p.m.

Dr. J. L. Clarke has received notification that he has been selected for appointment for a commission in the Air Cadet Corps of the R.C.A.F., with the rank of Honorary Flying Officer.

The Victory Loan Campaign.

Didsbury had passed the 63% mark in the 6th Victory Loan Campaign by noon Wednesday with the sales up to \$51,000.00 from 244 applications.

While with half the Campaign completed we have reached approximately two-thirds of our objective, the last third will be the hardest to get. If we are to exceed our objective (and it is unthinkable that we should not) we should have not less than 200 more applications.

If you have not already bought victory bonds see the salesmen, Messrs. E. Gillrie, F. Cogswell, S. F. Brown and J. D. Thomas as soon as possible, and if you have already bought and if you possibly can buy more.

Victory Bond may also be purchased from Mr. C. E. Reiber at the loan headquarters, or at the Royal Bank.

"PUT VICTORY FIRST"

Victory Loan Parade and Rally.

The Victory Loan and Rally, organized by the local Army Tank Regiment, on Saturday evening, made an excellent showing and proved quite an attraction.

The parade, led by an R.C.A.F. loudspeaker unit, followed by the Girl Guides, Army Tank Regiment, Air Cadets and Bugle Band, a tableaux float and servicemen marched through the streets to the C.P.R. grounds, where a rally was held.

The tableaux on the float depicted the oppression of the Nazis over the occupied territories.

A byplay, where the boys of the Tanks seized the Nazi leaders and brought them before a firing squad, caused a lot of amusement.

At the Rally, Rev. D. Whyte Smith introduced Sgt. Air Gunner Bob Reed, who was back after operational duties over enemy territory, and Lt. Cpl. Monty Monerith, a wounded veteran of Dieppe, Sicily and Italy, who told of some of their experiences, and stressed the need for the people of Canada to buy all the bonds that they possibly could, to provide ammunition and supplies for the boys at the fighting front.

Rev. D. Whyte Smith outlined the splendid record Didsbury had in the war effort so far, and said that while good progress had been made in the drive, every effort would be needed to put the drive over the top.

Mr. Jack Barrons, of Calgary, district manager, thanked the people of the district for what they had done in the past, and urged that in this drive they purchase all the bonds they can for cash and then buy more on the instalment plan to be paid for out of future earnings.

The local committee wishes to thank all those who helped in the parade, especially Mr. A. W. Haley, who worked so hard in organizing, Mr. Helfenstein and Miss Collins and those who took part on the float; and Mr. J. W. Wordie of the Crystal Dairy, for the loan of the trucks.

We Can't Stop Pumping Now

At the beginning of the century, two persons were needed to play a pipe-organ. The organist was at the key-board and someone else was at the pump handle. And all the years of practise, all the skill of the musician's fingers came to naught when the man at the pump stopped pumping.

In Europe today thousands of Canadians are playing a different kind of music. They are playing it well with cannon and guns. Their performance is a thrill for a listening world, a display of masterful technique developed through years of hard practise. Just as the organist of olden days depended on the youth at the pump, our troops depend on us at home to keep them going.

Victory Loans, successfully conducted during the past three years, have been vital to the training of our armed forces. But they are not enough. One hour's pumping of the old organ could not keep the organist playing for one hour and a quarter. Similarly, just so long as the Canadian invasion forces are playing their part on European soil, we must do ours here. We can't stop pumping now.

Ryckmans Wed Fifty Years

Married in Michigan 50 years ago, Mr. and Mrs. Malcolm Ryckman, 413 Williams road north, Chilliwack, B.C., and formerly of Didsbury, celebrated their golden wedding anniversary recently, when friends and neighbours called to offer their congratulations.

Both Mr. and Mrs. Ryckman were born in Michigan; Mr. Ryckman 74 years ago, and Mrs. Ryckman 69 years ago. Both are in good health and Mr. Ryckman, who has been a carpenter all his life, still follows his trade.

A year after their marriage, Mr. and Mrs. Ryckman moved to Didsbury, Alberta, where they resided for 24 years. They then moved to Bellingham for a year and have been residents of Chilliwack for 24 years.

They have three children, Wilard Ryckman and Mrs. E. S. Thornton, both of Chilliwack, and Mrs. George Bonfanti, of Spokane; also two grandchildren, Ronald Ryckman and Gail Thornton.

Mrs. Ryckman is an active member of LOBA, and members of the association remembered the day by calling to extend their best wishes.

The school softball teams of Westcott and Clovermount met Tuesday April 25 at Clovermount with the home team being the winners. A return game will be played this Thursday at Westcott.

Freight Cars Derailed

The evening trains on Friday were delayed by a train wreck near the Rosebud Flour Mill.

About 1 o'clock in the evening a crew was engaged switching cars in the Didsbury yards and had got a few cars on the main track, when a northbound freight collided with them and derailed four cars. The principal damage was done to a loaded cattle car, and several of the animals had to be shot. The cattle had been purchased locally by Kline & Co. of Calgary.

A brakeman, who was on the damaged car, jumped and escaped with minor injury. Wrecking trains were sent from Calgary and Red Deer and the line was cleared by 5 p.m.

The World of Wheat
by H. G. L. Strange

IN PRAISE OF WOMEN

Mr. H. Oldham, His Majesty's British Trade Commissioner in Winnipeg, has just returned from a two months' visit to Britain.

Mr. Oldham states he was immensely impressed with the intelligent and hard war work being done by the women of Britain. "The women were applying themselves with vigour and fervour to the war tasks they had undertaken," he said. Mr. Oldham judged, too, "that the efficiency of the women in some war work was higher than that of men".

To those who are familiar with the work being done by women on our prairie farms this assertion by Mr. Oldham is not surprising, for observers have often commented on the ability of our women to perform their tasks efficiently, intelligently, ably and well. The shortage of labor on the prairies has thrown many additional burdens on our farm women; they are in consequence doing much heavy work which usually is done only by men.

Our prairie women, therefore, with their Canadian sisters, and with the women of Britain, are doing their full part in helping to win a Victory, which will ensure the future freedom of their homes and of their children, and, too, the early return of their fighting men; just as history tells us women have ever done when their country was at war.

Wheat Board Payments

It should be noted that the wheat board payments from participation certificates for deliveries from 1940, 1941 and 1942 crops as recently announced by the government are "average" payments. That means that in some instances the amount paid will be higher than the announced figures and in other instances will be lower, dependent mainly on the grade of the grain. In certain instances the lower grades will run substantially higher than the average because of wide differences realized from the sales over the initial advance on those grades.

Alberta Liquor Investigation

Public hearings in connection with the investigation into the beer and liquor situation being conducted by a legislative committee consisting of C. E. Gerhart, Andy Davison, M.L.A.; and H. E. Deholt, M.L.A., will be held in Edmonton, May 6; Calgary, May 20; and in Lethbridge, May 22, it is announced.

The committee is charged with the responsibility of investigating: 1 - The regulations concerning the distribution of beer in the province; 2 - The available supplies of liquor and beer in the province as compared with other provinces; 3 - The dilution of spirits together with the practice now in force in this connection; 4 - Such other matters relating to the sale and distribution of liquor and beer as the committee may deem advisable.

Organization meeting was held in Calgary April 11, when the committee decided that persons and organizations wishing to make representations must submit six copies of their written briefs to the secretary of the committee ten days before the public hearing at which they wish to appear. This will give the members time to study the briefs.

Dairy Calf Club Notes

At their home west of town, Marjory and Jimmy Clarke entertained the Dairy Calf Club for the April meeting. There was a good turnout of both adults and children, with new members from the Gibbs, Klein and Atkinson families.

The members judged classes of jersey cows and calves. Mr. Hugh McPhail, supervisor, said the talks given by Marjory Clarke on "Bloat", Marjory Bruce on "scours", and Jimmie Clarke on "Ringworm", were as informative as any given by adults.

The next meeting will be held at Tanglewood Farm, the home of Mr. and Mrs. C. E. Gibbs, on May 20. Members are requested to bring their own lunch, and be at Mr. T. Morris' dairy by 11 o'clock, so they can double up in the cars. At this meeting Patsy Gibbs will speak on "Increasing the milk flow through feed", Alice Bruce on "Care of an Ayrshire show calf from birth to six months of age", Jeannette Worrall on "Importance of weighing milk and keeping records".

ADDRESSES ON THE MOVE ...

In Hospital

This Mail has PRIORITY

WHEN a man is wounded in action or seriously ill, he is rushed through field and base hospitals with all possible speed, to the place where most effective treatment can be given. Because of this rapid movement, his mail may not "catch up" for some time, yet, if ever he longed for a letter from home, it is at such a time.

To offset possible delays, a new "Short-Cut" mail service has been put into effect. A Priority Casualty Card is filled in and rushed by Air Mail to his friends or relatives with instructions to add the words "In Hospital" to the unit address they usually use.

Letters mailed from Canada bearing the words "In Hospital" are routed direct to the records office in the United Kingdom or the Central Mediterranean Force, as the case may be. They are given preference in transport, whether sent by Air Mail or regular mail. Thus they will reach the addressee faster than ever before.

It is inevitable that in tracing men who have been moved, or wounded, some delays occur. But you can rest assured everything that can mean speedier deliveries of letters to your men is being well and thoroughly done—and will be done.

When you get a Priority Casualty Card be sure the words "In Hospital" are added to the regular unit address when writing overseas.

Rebecca Activities

A most successful Rebecca Red Cross sale was held at the Zella school on Wednesday evening, April 19th.

A program of local talent was enjoyed by everyone. The auction sale followed, with Arthur Waldroff again very capably acting as the auctioneer.

The raffle ticket made by the Red Cross group, was drawn for, Miss Lena Wiens selecting the No. 374. This was held by Mr. Edward Waldroff, of Olds.

Refreshments served consisted of pie and coffee.

We take this opportunity of expressing our appreciation for contributions and donations, and to those who in any way made this such a successful sale.

Following is a list of the receipts:
 Quilt Raffle \$31.40
 Donations 9.00
 Auction sale 62.40
 Lunch counter 12.55
 \$115.35

These receipts are to be divided as follows:
 Junior Red Cross Hospital \$50.00
 The Red Cross \$50.00
 The remaining \$15.35 is being held for further consideration.

Canada Needs Nurses

The growing needs of our armed services calls for the continuance of a sufficient number of young women to train as graduate registered nurses.

A grant of one hundred dollars each, made possible by Dominion-Provincial authorities, is offered to girls of 18 years or over who are interested in nursing as a vocation but are unable to finance the training period.

The three years' course in nursing requires a minimum standing of High School Diploma (100 credits) including Chemistry II and either Physics II or Biology. Girls in grade XII who anticipate having these requirements at the end of the present term should plan now for classes commencing September next.

Write for application forms to The Alberta Association of Registered nurses, St. Stephen's College, Edmonton, Alberta.

CARD OF THANKS

I wish to thank all those who assisted in extinguishing the fire on my property on Friday last.

Westcott W.I. Report

The April meeting of the Westcott W.I. was held at the home of Mrs. Baudistel, with ten members and two visitors present. The meeting opened with "O Canada", followed by the Women's Institute Creed.

After the usual business was over, a very interesting paper on the care of house plants, also on the planting of bulbs, was read by Miss Norma Wilson, who recently finished the winter course at the Olds School of Agriculture.

The prize winners in the jingle contest, were Mrs. J. Robertson, 1st prize; Mrs. Ray, 2nd prize. Mrs. A. Baudistel was the winner in the draw.

Lone Pine Notes

LAC Lloyd Anderson spent the weekend at the Davidson home.

Mrs. Albert Cluny and son returned to spend the summer with her parents, Mr. and Mrs. Schumaker, after spending the winter in Vancouver.

Pte. Gordon Rathburn returned to Hamilton, Ont., after a furlough spent at Mr. Sam Elliott's. His wife, Violet, and son are staying for the summer with her parents, Mr. and Mrs. Sam Elliott.

Mr. and Mrs. Gus Bittner moved to their new home in Didsbury, over the weekend.

Mr. and Mrs. Walter Fulkerth and family were Sunday supper visitors with Mrs. Jenkins and family.

PEOPLE OF Didsbury and District We Must Not Let Our Fighting Men Down We've Got to BUY MORE VICTORY BONDS

Of course we've been asked to buy bonds before . . . and we've bought bonds before. We're asked to buy bonds again . . . and we must buy them again. Facts must be faced . . . this community is not doing the job it is expected to do.

There is no letting-up on the fighting fronts. Action increases day by day. But our fighting men are conscious of their job . . . to carry on until victory is won. They will finish the job and we must help them. Compared to their job ours is an easy one.

WE ARE ONLY ASKED TO LEND OUR MONEY

We are not asked to give anything. We are only asked to save . . . and lend. That does not entail much hardship. As a matter of fact, when we save our money and invest it in Victory Bonds, we are doing something for our own personal benefit. Surely we can do that much.

Most of us are earning more. We can save more. And the need is urgent. Canada's war bills are mounting day by day. Others are risking their lives. We must provide the money.

*You Are Not Doing Your Part Unless You Are Buying Bonds
 —and You Are Not Doing Your Part Unless You Are Buying*

ALL the BONDS YOU CAN

If you haven't the cash, remember you can buy Victory Bonds on convenient deferred payments and pay for them as you earn the money over a period of six months. Fulfill your obligation to the men who are fighting.

Put Victory First BUY VICTORY BONDS
